Before receiving the scholarship, I understand that Carleton must verify that:

I am eligible for the additional award to be made

I am enrolled in an eligible program as a **full-time** graduate student for two or three consecutive terms. One term awards are not permitted. If my status as a **full-time** graduate student changes, I may be required to repay the award.

Applicants Verification of Eligibility

To the best of my knowledge, I have not done anything that would entitle the Ministry of Training, Colleges and Universities to refuse to grant me a certificate of approval for a student loan.

All information I provided in connection with my OGS application is complete and true and I have notified FGPA of any changes that have occurred up to the date I submit this Notice of Acceptance.
